MR. BABCOCK: Sorry to inform everybody but we've got a load of members that are sick and we heard from two of them today that they wouldn't be able to make it and two are just called, they're in bed with the flu. We didn't schedule a meeting on the 28th which is our next regular meeting so what they're telling me we're going to move all this from tonight to February 28th. The people that have public hearings we'll readvertise in the newspaper. If anybody's here for a public hearing
